A division of Merchants Information Solutions, Inc.

Features of our ID Theft Coverage:

- Access to credit report and score
- Daily credit monitoring and alerts
- A personal Recovery Advocate assigned to manage victim's case

Be the First to Bring the ID Advocates Solution to Your Customers!

With the **ID Advocates ID Theft Solution Suite**, you have the unique opportunity to **supercharge your F&I business – high-volume margin with minimal involvement**. Simply offer this practical safeguard to the fast-growing crime of identity theft, and we handle all the details. And based on enrollment goals, your entire staff may be eligible for coverage at no charge.

ID Advocates is proud to offer a comprehensive identity theft product to consumers should they ever become a victim of ID theft. You can provide your customers with the tools they need to proactively protect their identity. In addition, your customers will gain peace of mind in the assurance that we will manage the time-consuming task of restoring their identity if it is ever compromised.

*Don't let them steal
your identity!*

For additional information on how to help **Fasten Your Identity** with our ID Theft Solution Suite, please call 877.33.THEFT (877.338.4338) or visit us at www.idadvocates.com.
